

MultiFlex™ Corner Spouted Pouches

A More Sustainable Multi-Serve Package

MultiFlex™ Corner Spout: A Corner-copia of benefits!

Innovation that Stands Up to Stand Out!™

The Ideal E-Commerce and Shelf Packaging Solution

CHEERPlus™ MultiFlex™ Corner Spouted pouches offer everything rigid containers can and much more!

Ideal for:

Sauces, Condiments, Dairy (including Ice Cream), Alcoholic Beverages, Energy & Nutrition Products

Multi-serve pouch

- Cap is easy to remove and replace for multiple uses
- Almost 100% evacuation of product
- Contents stay fresh longer after opening

A more sustainable option than glass and rigid plastic

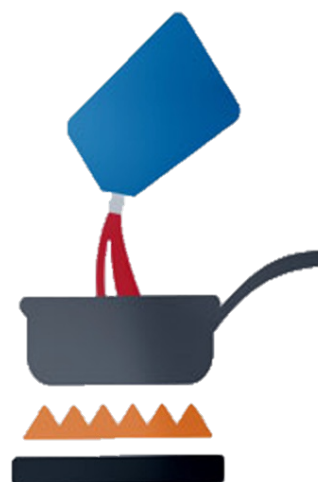

- Lightweight package reduces weight of container
- SIOC-friendly
- Addresses the breakage and cracking tendencies with glass and rigid containers

Great for retail shelf

- Front panel offers large billboard print area
- Fits more product in the same footprint than similarly sized plastic/glass containers
- Flattens to take up significantly less space than glass or rigid plastic

Tremendous number of package options

- Standard size offerings: 250ml, 0.5L, and 1.0L
 - 0.5L : 140mm x 200mm x 38mm
 - 1.0L : 177mm x 220mm x 48mm
- Ask us about custom sizes
- CHEER PACK® 14mm standard spout accepts the CHEERValue™ 14mm cap
