

CHEERPlus™ Cubes™

The side-gusset spouted pouch that delivers multi-serving convenience

“Cubes™: The new cool in packaging!”

Innovation that Stands Up to Stand Out!™

The Ideal E-commerce and Shelf Packaging Solution

CHEERPlus™ Cubes™ spouted pouches offer everything rigid containers can and much more!

GREAT FOR:

beverages, dairy products, sauces and salsas, condiments, energy and nutrition products, salad dressing, nutraceuticals and non-food products

Multi-serve pouch

- Cap is easy to remove and replace for multiple uses
- Almost 100% evacuation of product

A more sustainable option than glass and rigid plastic

- Lightweight package reduces weight of container
- SIOC-friendly
- No serving spoon required
- Addresses the breakage and cracking tendencies with glass and rigid containers

Great for shelf

- Front panel offers a large billboard print area
- Side panel allows for a printed repeat pattern

Cubes™ unique shape

- Wide base allows product to stand up
- Fits more product in the same footprint than similarly sized plastic/glass containers
- Flattens to take up significantly less space than glass or rigid plastic
