

# INTRODUCING THE CHEERPLUS™ NO-SPILL SPOUTED POUCH WITH SMARTSEAL TECHNOLOGY

  
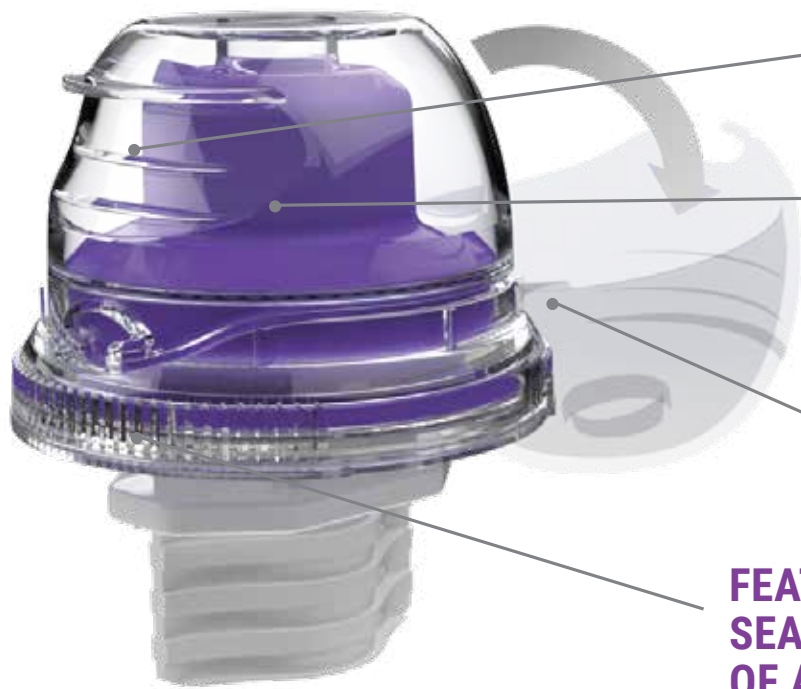

**CHEER PACK**  
NORTH AMERICA™

**REVOLUTIONARY, FLEXIBLE  
SPILL-PROOF PACKAGE IS  
IDEAL FOR A WIDE RANGE  
OF LIQUID PRODUCTS**

CPNA has partnered with SmartSeal® to create the CHEERPlus™ No-Spill™ Spouted Pouch with SmartSeal® technology. This innovative, aseptic and hot fill packaging solution is perfect for a wide range of liquid products that include juices, energy drinks, and coffee beverages for outdoor activities, playing sports, traveling, and keeping kids and toddlers spill-free at home, in the car, and everywhere in between.

## FEATURES AND BENEFITS:

**FINGER GRIP ON CAP  
FOR EASY OPENING**

**ONLY DISPENSES LIQUID  
WHEN SUCTION IS APPLIED  
TO THE PATENTED VALVE**

**INCLUDES A TETHERED  
FLIP CAP FOR ONE-HANDED  
OPENING AND CLOSING**

**FEATURES NO-SPILL SECURITY  
SEAL THAT'S IDEAL FOR USERS  
OF ALL AGES**

**SMARTSEAL CAPS ARE AVAILABLE IN A RANGE OF COLORS  
THAT ENABLE BRAND OWNERS TO REPLICATE THE LOOK AND  
FEEL OF THEIR CURRENT PRODUCT PACKAGING.**

Due to their lighter weight compared to other packaging such as rigid plastic and glass containers, environmentally-friendly CHEERPlus No-Spill Spouted Pouches with SmartSeal technology are sustainable, ideal for e-commerce, and offer increased cube efficiency for shipping and distribution.

**“Cheer Pack North America is very excited to form this partnership with SmartSeal and the proven no-spill technology that they bring to our suite of flexible spouted pouch products. Both Cheer Pack and SmartSeal agree that the combination of SmartSeal’s no-spill caps and CPNA’s innovative flexible pouches is a game changer for the industry.”**

- Steve Gosling, President of CPNA
