

CHEERPlus™ No-Spill™ Spouted Pouch with SmartSeal® technology

Introducing an exciting new flexible spill-proof package solution!

“No-spill, no mess, no stress!”

Say goodbye to messes with a no-spill cap!

Cheer Pack N.A. and SmartSeal® have partnered to create a truly game-changing packaging solution!

GREAT FOR:

yogurt, juices, fruit purees, smoothies, energy drinks, and specialty coffee drinks.

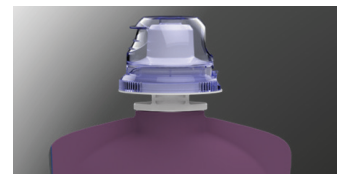

Convenience

- Flip cap for convenient one hand only opening and closing
- Flexible pouches are easy to pack for “on-the-go” convenience
- Lightest weight packaging format for beverages
- Flattens once used

No-spill Security

- Great for all ages - no more spills and messes! Just apply suction to drink!
- Squeezing the packaging will not allow contents to leak out

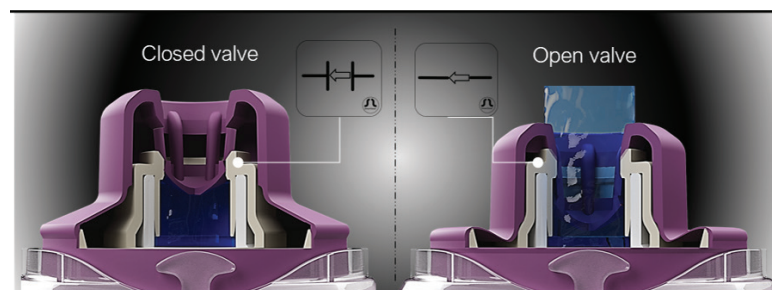

Available in a non-valve standard sports cap as well!
Same geometry = no change parts needed!

CHEERPlus™ No-Spill™ Spouted Pouch Features and Benefits

- Uses CHEERPlus™ S-Spout™ is specifically designed for the cap using SmartSeal® valve technology
- The PE S-Spout™ can be sealed into any PE CHEER PACK® pouch
- Recommended CHEER PACK® SUP pouch sizes for beverage applications: 217 ml or 250 ml
- Additional CHEER PACK® standard and custom shapes and sizes available

Make your brand pop with a range of colors to choose from!
