

# CHEERPlus™ MultiFlex™

*A more sustainable multi-serving package*

*“MultiFlex™: Reshape your brand’s category - today!”*

# The ultimate in pouch design flexibility!

*MultiFlex™ multi-serving spouted pouches offer the widest range of customizable shape, structure and orientation options!*

## GREAT FOR:

yogurt, toppings, sauces, nut butters, jellies/jams, guacamole, condiments, dressings, honey, shampoo, body wash, and skin creams.

### **A better solution than rigid or glass multi-serving containers**

- Significantly reduces packaging weight
- Quantifiable sustainability benefit
- Ideal e-commerce package
- Accepts standard 33-400 thread double and single-wall caps\*
- High consumer satisfaction

### **Consumer benefits:**

- Portable and convenient
- No utensils needed
- Easy to hold / squeeze
- Almost 100% product evacuation

### **Great for retail shelf**

- Front panel offers large billboard print area
- Clear pouch option provides transparency, a key consumer deliverable
- Customized shape options to reinforce branding strategy

### **Tremendous number of package options**

- Standard size / fill:
  - 122 mm x 170 mm x 25 mm, gusset, stand on large cap, potential to fill up to 500 ml
